Application for Enrolment List

In light of section 19 of The Education Welfare Act, 2000 and pending the issuing of enrolment procedures by the National Educational Welfare Board, the Board of Management has determined that Enrolment Forms will only be issued to applicants at the beginning of February of the year of proposed entry, with a return date fourteen days later. Thereafter, the Board will meet and decide all applications in accordance with our Enrolment Procedures and ensure that applicants have a reply within twenty-one days of the application return date.

Consequently, Parents/Guardians who have previously made applications for entry or who enquire about or request application forms before the enrolment application date, are invited to register their child/children on this application for enrolment list and a formal Enrolment Application Form will then be forwarded to them at the beginning of February of the year of proposed entry. It should be clearly understood that registration on this list will not offer any preferment to the applicant child or guarantee a place either for the term and year requested or for any other term or year.
